(No Sign shall be placed to pose a traffic hazard and the county highway superintendent shall be vested with authority to rescind any sign permit under this section if he deems that the sign placement would cause a traffic hazard, subject only to review by the County Commissioners, if requested within thirty days of written notice of any such decision.) Written proof must be attached to this application of owner permission if application is made to allow a sign on property not owned by the applicant. A scale drawing of the proposed sign must also be attached to this application.

The Planning Director has seven business days to review and approve or deny.

Approve _____ Deny _____ Date of review: _____
Call the Zoning Inspector when ready for sign inspection.
